SUMMARY

Skilled Frontend Developer with 4 years of experience in designing, developing, and maintaining responsive web applications using modern JavaScript frameworks and libraries. Proficient in React.js, Next.js, and Tailwind CSS, with a strong focus on delivering seamless user experiences. Experienced in collaborating with cross-functional teams to translate business requirements into technical solutions, ensuring high-quality code and performance. Strong problem-solving skills and a commitment to staying updated with the latest industry trends and technologies.

WORK EXPERIENCE

Frontend Developer

Wit by Bit | 2020 - Present

- Developed and maintained high-quality, scalable, and responsive web applications using React.js.
- Collaborated with cross-functional teams to plan, implement, and ship features on time.
- Conducted thorough code reviews to ensure quality and provide constructive feedback to team members.
- Wrote clean, modular, and maintainable code, following best practices and coding standards.
- Developed dynamic and high-performance server-side web applications using Next.js, enhancing user experience and SEO.
- Utilized TypeScript to develop a robust and maintainable codebase, ensuring improved code quality and readability.
- Built a reusable UI component library with Tailwind CSS, enhancing design consistency and code reusability.
- Implemented advanced performance optimization techniques, reducing load times and improving overall user experience.
- Collaborated closely with backend developers to integrate APIs and services, ensuring seamless end-to-end functionality.
- Mentored junior developers, enhancing their skills and contributing to the team's knowledge base.
- Actively participated in Agile meetings to plan releases, prioritize tasks, and meet deadlines.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science and Technology

Adamas University | 2016-2020

PROJECTS

Phonedipo

phonedipo.com

Developed a comprehensive e-commerce platform for buying, selling, and repairing mobile phones, successfully serving a diverse customer base. Additionally, created an intuitive admin portal for efficient inventory and order management.

Portfolio website

soumak.dev

Developed a personal portfolio website using Next.js and Tailwind CSS, showcasing side projects and work experience.
